

Cross Manufacturing Company (1938) Ltd

Mechanical/Production Apprenticeship

The Company:

Cross Manufacturing Co is an independent, family owned company, supplying heat resistant sealing products to the Automotive, Aerospace and Power Generation industries. It is one of the largest companies in Devizes currently employing over 200 staff.

We hold quality approvals to Automotive standard TS16949, Aerospace standard AS9100, process approvals to NADCAP standards and Environmental approval to ISO14001.

The Role

We are looking for talented individuals to join our apprenticeship programme, giving you the opportunity to earn a salary and achieve recognised qualifications, and at the same time gain practical hands-on experience of manufacturing including processes such as Milling, Turning, Welding and Hand work using a range of equipment including CNC and manual machines. It will also involve the production of reports, reading and understanding technical data and drawings.

Qualifications/Experience

No experience is required, but candidates must have, or expect to achieve 4 GCSE/ Standard Grade passes (C/3 or above), to include Maths, English and a Science or Craft subject. Also, applicants must live within sensible commutable distance, and display appropriate characteristics through hobbies and interests. You must have a genuine interest in engineering/product manufacture with practical ability and a desire to become a first rate engineer.

Training

Successful candidates will be placed on a training program, which will include further education with City & Guilds, NVQ and BTEC qualifications being achieved.

Hours of work

8:00am to 4:30pm Mon-Thur, 8:00am to 3.30pm Fri. A maximum of 40 hours weekly for those candidates aged 16 to 18 years. After successful completion of apprenticeship, you may be expected to work a rotating shift pattern.

Package

A minimum starting wage of £152/week.+ bonus
Access to Stakeholder Pension Scheme (once eligible)
Private Family Healthcare (once eligible)
25 Days Holiday
Cycle Scheme
Good clean & modern factory with canteen and on-site parking.
