

VACANCIES

MECHANICAL APPRENTICESHIPS 2018

The Apprenticeships

We are looking for talented individuals to join our apprenticeship programme.

The apprenticeship is a 3-year programme, commencing August 2018. During the apprenticeship you will have the opportunity to earn a salary and achieve recognised qualifications whilst gaining practical hands-on experience.

Mechanical: Manufacturing including processes such as Milling, Turning, Welding and Hand Work using a range of equipment including CNC and manual machines. It will also involve the production of reports, reading and understanding technical data and drawings.

Qualifications/Experience

No experience is required but candidates must have, or are expected to achieve, a minimum of 4 GCSEs (A* - C), including Maths and English.

Applicants must display appropriate characteristics through hobbies and interests. You must have a genuine interest in engineering/product manufacture with practical ability and a desire to become a first-class engineer.

Training

Successful candidates will be placed on a training program which will include attending college on a day-release basis. At the end of the 3 year agreement apprentices are expected to have completed Level 2 City & Guilds, or higher, depending on ability.

Hours of work

39 Hours per week.

Package

Attractive starting wage
Access to Stakeholder Pension Scheme (once eligible)
Private Family Healthcare (once eligible)
25 Days Holiday
Good clean & modern factory with canteen and on-site parking.

To Apply

All application forms must be accompanied by a full CV and covering letter.

Application forms and further information can be downloaded from our website and are also available from our Devizes Office, contactable on 01380 722421.

Closing Date: Friday 25th May 2018
